# Message from our students

**Wu (China)**

The teachers, including the principal, are very kind. Their teaching style is interesting and they have a lot of experience. Also, I'm very happy that I can always speak Japanese at school with my classmates from many different countries!

**Chiang (Hong Kong)**

The principal and the teachers are kind, and many of the students are fun. They helped me not only during classes, but also in my job search and through emotional support. You don't have to worry when living alone in a foreign country!

**James (UK)**

Classes are taught entirely in Japanese, which is a great way to learn. The teachers and support staff are excellent and ensure every student is able to progress smoothly through their language education as well as being able to navigate life in Sapporo.

**Tablizo (Philippines)**

All the teachers are very professional, patient and very kind. They made all the lessons very easy to learn. With the help of my teachers I improved my listening skills and learned lots of new vocabulary. They really helped me to improve my Japanese.

**Nhi (Vietnam)**

The teachers at school are enthusiastic, always friendly, and humorous, and the classes are always interesting. My communication skills have improved thanks to the teachers. I am close to my school friends and we always support each other.

**Zaki (Malaysia)**

Studying at SLC has made me become more confident and pro-active when speaking Japanese. All the teachers and the school staff are very friendly and helpful, even for small things like helping you reading your mail or preparing for a job interview.
